## Jerusalem to Nazareth

Continued from page 1

How little we thought a day would come when we as thirsty travelers, would have our thirst quenched at the well that Jacob dug several thousand years ago. The keeper lowered some buckets into the hot, brown of the well that we might be, hold its depth, and set the clear water boiling up at 166 feet below an impressive sight with the eternal walls of the well about ten feet in diameter.

Three minutes drive from here down the narrow valley between Mt. Ebal and Mt. Gerizim, brought us to ancient Shechem, now called Nablus. This was our fifteenth wedding anniversary, today, and how wonderful it seemed that the Lord had arranged it so that we could celebrate it by travelling from Jerusalem to Nazareth! This was the very journey that our Lord Jesus Himself had often made with his disciples, on foot or on donkey back.

What sacred memories of Bible stories learned in childhood flooded our minds! "How my father could enjoy this trip with us today," remarked Miss Bowman, wistfully. "Yes and how I wish mother were along," I replied. "She would know so much more about the history of all these sacred places than I do."

On we went along a fertile valley to the base of a hill on which are the ruins of Samaria. Continuing along the way to Dothan, we visioned the boy Joseph seeking his brothers over these very hills and valleys, and to make it seem more real we could see, here and there, shepherds with their herds and flocks.

We came soon to the most wonderful view of the day—the famous plain of Esdraelon, surrounded on all sides by mountains. Prominently, on the northwest, stands Mt. Carmel. On the north are the hills of Galilee. On the east are the Mounts of Tabor, and on the south lay the mountains of Samaria through which we had just come.

Warriors of every nation have pitched their tents on this plain from the days of Barak and Sisera to the last Great War. The battle of Tabor between the Turks and Napoleon was fought here, and here General Allenby's troops gained their crushing victory over the Turks.

Here was Shunem, where dwelt the woman who housed Jesus, hospitality to Elijah; Nain, where Jesus raised the widow's son; Endor, where dwelt the witch whom Saul consulted.

Across twelve miles of this historic plain we rode to the foot of the Galilean hills on the top of which stands Nazareth. We approached the village with sacred emotions, for it was here that our Lord spent most of His life. It is picturesquely beautiful, being built against a hill, and surrounded by other hills which are really small mountains.

The people here are different from those met elsewhere, and are noted for their courtesy, as well as for the good looks of the women.

We crossed the plain that runs along Mt. Carmel until we arrived at Haifa on the Mediterranean Sea. Tomorrow being Sunday, we expect to spend it here.

## Alberta Man Wins Big Prizes

CHICAGO, Dec. 4.—Canada won the highest prize in the grain and hay show of the International Live-stock Exposition last evening when Major H. G. L. Strange, of Penn. Alta., was awarded the sweepstakes for the best sample of wheat in the show on his hard red spring exhibit.

## HAVE YOU

A Dollar's Worth of Confidence in Your Red Cross?

Your Red Cross is once more calling upon you in the name of suffering humanity to give from your plenty so that others less fortunate may benefit. The annual drive for membership and finance is now on. Conveyers in your district will call upon you soon. Be ready for them and do your bit once more.

Give a Bushel of Grain if you prefer to give that way. Your elevator man will tell you how.

It is estimated that if each farmer with a 1-4 section gives 2 bushels, with 1-2 section gives 5 bushels, that, with the cash donations from the towns and cities, the Alberta Division quota of \$55,000 will be reached easily. This plan has the endorsement and recommendation of the Lieutenant-Governor of the province, the committee of the Alberta Wheat Pool, the Alberta Elevator Companies.

Many Red Cross activities in rural districts are planned for 1924.

Greater rural hospital and nursing service facilities and in addition a special course of home nursing classes will be conducted throughout the length and breadth of Alberta under the direction of qualified nursing experts which everyone will have a chance to attend. Send 25 cents for the manual on Home Nursing. It is a most complete book filled with information essential to health.

## IN MEMORIAM

Whereas, God in His infinite mercy has called from our midst, our beloved Sister Emma Austin, we humbly pause and bow our heads at the vacant chair, so suddenly vacated by our dear dear, who has passed from our throng forever.

Be it resolved that St. Hilary's Chapter No. 27 O. E. S. of Didsbury, Alta., mourn the loss of one of its most honored members. May we who are left have more interest in each other and in all that pertains to the work of the O. E. S.

A prelate one from us has gone. A voice we loved is stilled. A place is vacant in our home. Which never can be filled.

God in His wisdom has recalled. The boon His love had given.

And though the body slumbers here, The soul is safe in Heaven.

It is resolved that a copy of these resolutions be spread upon the minutes of our Lodge and a copy sent to the bereaved husband and sister to whom at this sad time our hearts go out in sympathy.

The Gateman grain stealing case came up at Trochu a few days ago and defendant was sentenced to six months in jail. The evidence obtained by the police was conclusive and defendant did not put in a defence.

Mrs. W. Conner, who lives east of town, had the misfortune to cut one of her hands very badly last week. It appears she had gone out to the yard at the back of her home with a lantern. Some way she slipped and fell and putting out her hand to save herself, smashed the glass of the lantern, cutting the little finger nearly off and severing the sinews in the wrist. Dr. Clarke was immediately called out to attend the injured woman and fixed the hand and wrist up as well as possible, but it is thought that an operation will have to be performed later to bring back the proper use of the hand.

A narrow escape from sudden death was experienced by little Bruce Clarke, four year old son of Dr. and Mrs. J. L. Clarke, last Thursday when he was knocked down by an auto which it is claimed by some onlookers passed over some part of his body. He was able to run home, however, and after an examination by the Doctor found to be unhurt excepting for some bruises. The auto driver was completely exonerated from blame in the matter as he was driving very slow. The little fellow ran out from behind a wagon right in front of the auto and the auto driver could not help himself.

The W. C. T. U. will hold their regular meeting at the home of Mrs. Rether on Thursday, December 12th. A paper will be given by Mrs. E. G. Reitzel entitled "Facts that the World is facing." It is specially requested that all members be present and all others are invited.
